The spreadsheet shows records of payments sent from CROSSTOWN in various dollar amounts. The dollar amounts are consistent with and reasonable for affiliate marketers in the adult industry. All of the payments reference MFC (MFCXY) and all were sent via wire. Recently, some of the payments CROSSTOWN sent were returned by the bank to CROSSTOWN, as indicated in the status column. In the cases when the payments were returned to CROSSTOWN, CROSSTOWN subsequently returned the funds to MFCXY. It is likely received those payments from MFCXY through a means other than CROSSTOWN. Records are dated between January 2, 2013 and March 1, 2017. The addresses listed (address, city, state and zip/postal code fields) were provided to CROSSTOWN her residential address. Payments were sent to various banks in Canada, Algeria and Mexico.	b6 b70
